

Photo shop near Embassy

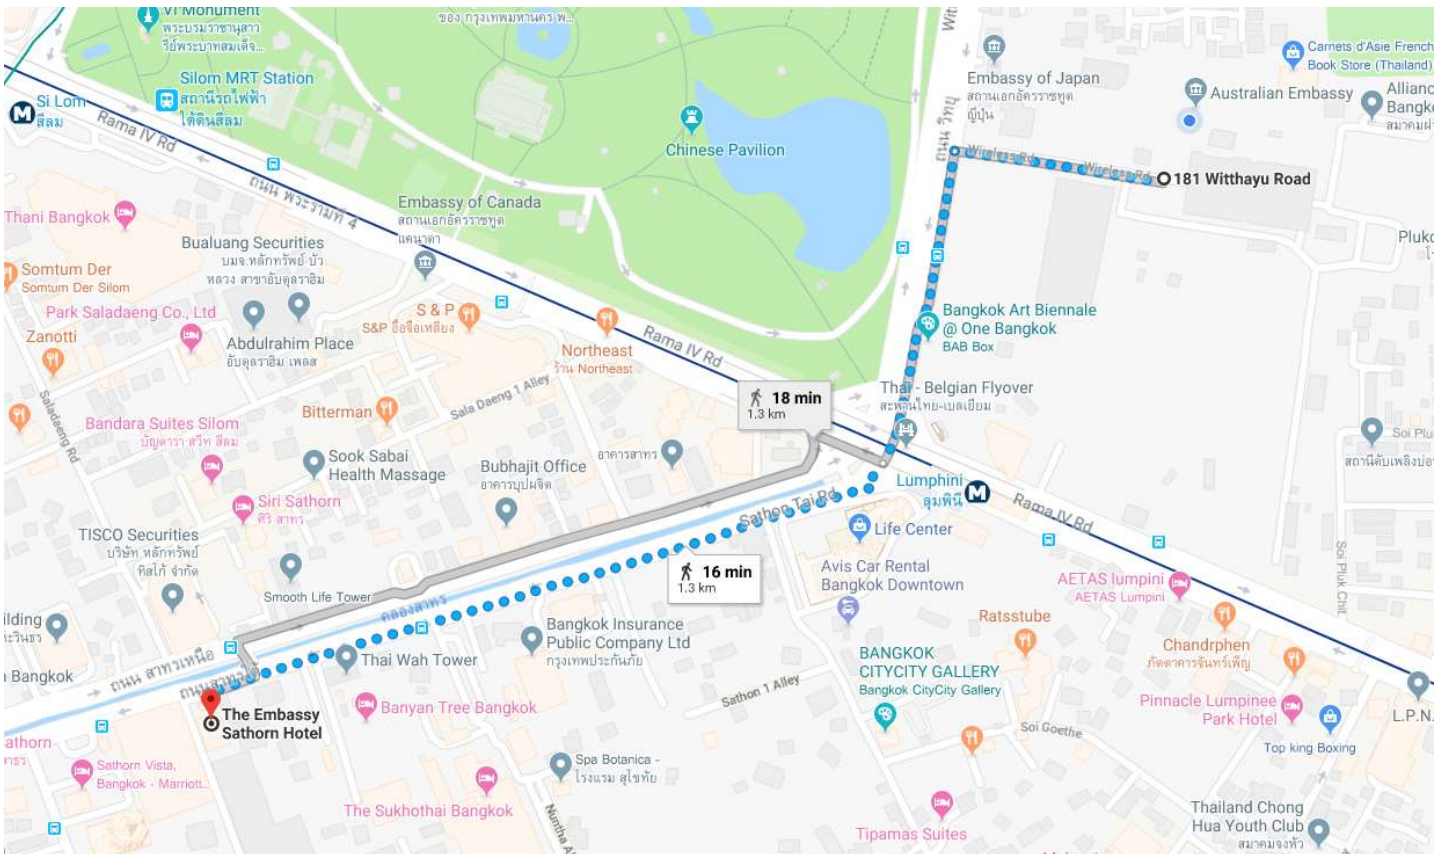

We appreciate that obtaining a passport photo in Thailand that meets the photo requirements can be challenging.

Master Photo Sathorn is located near the Embassy and are familiar with Australian passport photo requirements, though you are welcome to select another photo outlet who is able to meet the required standard.

Please avoid photos with a matte finish. Glossy printing paper provides a higher quality image. Please also check your photos before leaving the photo store to ensure no 'enhancement' have been made to the image.

Photos that do not meet the requirements will be rejected and this will delay the issue of your passport.
